FORTE DEI MARMI

September, 27th - 28th 2024

WHERE WE ARE

Forte dei Marmi is a glamorous seaside town with a stunning view of the Apuan Alps, with their white marble tops heaving up behind the town.

You'll enjoy Liberty Villas behind walls, shaded by ancient Mediterranean trees, alongside the wide seaside promenade with bike and pedestrian paths. The bike is a must for both locals and tourists!

If you like the energy of a town with trendy boutiques, chic restaurants and luxury beach clubs.. Forte dei Marmi is your best choice.

Marina di Pietrasanta is located beside Forte dei Marmi and is a more quiet town with some of the area's best beaches. It's connected to the municipality of Pietrasanta, a pleasant old town founded in the XIII century, which has been an important center of marble extraction and working for centuries.

Pietrasanta is known as the City of Artists and has many artists studios in town, along with an interesting museum dedicated to marble sculpture, the Bozzetti Museum.

If you prefer a more quiet option, with an artistic personality, you should go for Marina di Pietrasanta or Pietrasanta.

Viareggio is a seaside resort well know for its Art Nouveau architecture. It's a very attractive spot with its long promenade adding a great deal of character.

Stroll along Passeggiata Margherita - the promenade that follows the seafront through the town - to enjoy the best examples of the above mentioned architecture.

The main beach is long, sandy and covered in long rows of brightly coloured parasols. If you are willing to relax.. Viareggio is what you are looking for!
